SENIOR WARDEN'S NOTE TO THE PARISH

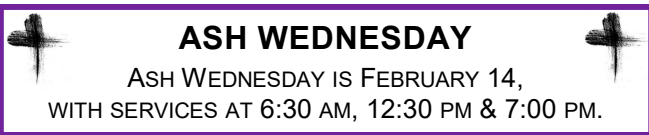

We are fortunate in modern day America to have the annual ritual at the beginning of the year when we take time to reflect on our lives and make plans for our future. Introspection can sometimes be difficult but almost always gives us a template for our plans. Today, we as a parish have that same opportunity to look at where we are and where we would like to be a few years down the road. Accomplishing this will require the input and assistance of our very committed congregation in giving voice to their thoughts about the positive as well as the negative. It requires a hard look at both to really get the job done. I am requesting that when you see a Vestry member around the church property please take a moment to share your thoughts. This type of interaction can be of great assistance to the Vestry members as we work to formulate Fr. Jeff's directive to put together a five-year plan for our parish. We Vestry members take this task very seriously, and we cannot achieve what I would like to see us achieve unless we have your input. My cell number is 901-482-1022. My e-mail address is Billcbarnett2323@gmail.com. I'm usually around the grounds most every day so feel free to reach out. We are so blessed to have clergy who embrace the Benedictine model to assist us in reaching our spiritual goals and teaching us how to live a life more in tune with our Lord and Savior Jesus Christ. One advantage of this project I'm already seeing in reviewing the short questionnaire that was presented to us at the annual meeting is that just about everyone loves where we are and what we are doing. That only excites me more as we get to work to take what is wonderful and preserve it while looking to improve where we can.
