Dear Parishioners and Friends,

We've had very unusual weather for the Mid-South! One thing to be glad about is that it ended fairly quickly. We are thankful for safety and protection for us in these unusual circumstances! We continue to pray for those who are still without electricity and still struggling in different areas of life. Anyway, it felt like a Lenten wilderness for sure, with mixed feelings on forced confinement. At various times it felt like we were pushed to restlessness, discontentment, joy, sadness, or loneliness, but we are still here praising God! In the midst of all this, we missed gathering together for our traditional Ash Wednesday service where ashes are applied to our foreheads as a sign of our mortality: "You are dust, and to dust you shall return" — a powerful reminder of our frailty and vital reliance on God! We need God in our journeys.

Our hope and prayer is that we would not miss the presence of the Holy in and around us because it's easy to remain distracted by these recent unusual circumstances! May we grow closer and closer to Christ together. Perhaps you have a particular Lenten discipline you are practicing; if not, it's not too late to begin a closer walk with Jesus! Our children have been learning about PFG: Pray, Fast, and Give... the ancient church has been at it for centuries, following Jesus' words. Perhaps this Lenten season we can deduct some meaningful lessons on love, grace, family, solidarity, discipline, and reconciliation. May we purge from our lives that which isn't of Christ so we can gain more of Christ Jesus in us as we move closer to Holy Week! Please pray with us that these disruptions of our services would cease and for the power of the blood of Jesus Christ to triumph over all this.

Love in Christ Jesus!

Fr. Christian
