### EVENING PRAYER & PRAYERS FOR HEALING

The Order of St. Luke is a treasured healing ministry within Saint Andrew's and is one of the few chapters in the whole of the Mid-South. Plus, it's one of very few to be embedded within a church and have clergy involvement. Healing miracles have been experienced numerous times in their ministry. The group will be hosting Evening Prayer and Prayers for Healing on Thursday, Apr 4, 6:30–7:30 PM in the church. They host this event every first Thursday. Please attend either Evening Prayer, Healing Prayer, or both. OS� encourages you to come and bring those who have asked you for prayer.

### SAINT ANDREW'S PHONE AND TABLET APP

We have a church app for iPhone and Android. On your phone or tablet, go to [www.standrewscollierville.org](http://www.standrewscollierville.org), then go to the bottom of the Home Page and you will see boxes to click on to get the appropriate app for your device. The app can be very helpful, day to day, because it's so easy to access the weekly announcements, the newsletter, the Sunday services, and daily Morning Prayer. Let us know if you have any questions about the app.

### SCHOLARSHIP APPLICATION DUE APR 30

Attention high school seniors and college students, the Beth Felton–Ashby Loftin Scholarship 2024 application is now available in the church office. The scholarship's purpose is to honor the memory of Beth Felton and Ashby Loftin by recognizing individual commitment to the Saint Andrew's Family, especially in the areas of service and outreach to those in need. **Submission deadline is Tuesday, April 30 in the church office.**

### FIRST-WEDNESDAY DINNER AND DEVOTIONAL

First-Wednesday family dinner is on **Apr 3 at 6:00 PM**. Please join us for a wonderful time of fellowship. Recent dinners have been well attended! The sign-up will be posted on the parish hall bulletin board through Sunday, Feb 4. Sign up family and friends (or call the office) and be sure to indicate how many children you are bringing.

Dear Parishioners and Friends,

Lent just whisked itself away, leading to Palm Sunday, Holy Week, and the highest season of the Christian year: Easter. As I write, we have already experienced spring, and our kids are on spring break. I am always amazed looking at the trees coming back to life and seeing so much greenery all around us and the beautiful flowers and their effects on those with allergies. Spring is quite an experience for those of us who grew up abroad! It's the perfect picture of new life in Christ! Old life has to die so that new life can sprout. Hopefully your Lenten journey has brought that sensation for you, as we let go of parts of our lives that are in incongruity with the message of the Gospel of Jesus Christ our Lord and Savior. It is in this newness of life or reformation that I want to bring up the Vestry's new adventure of working on strategic planning. I am truly excited about the work they have begun and the many suggestions you have provided for them about what it means to be a true community of faith. God is doing something important amongst us! My prayer is that we would be spiritually awake to welcome this new life, this new work that God is calling us to, as we serve those around us. Thank you for your faithfulness in serving! Keep making history in this beloved church of ours, so that the next generations may look at the bar set much higher than the previous generation. Congratulations Thomas Meinhart and Jackson Webster for becoming part of the new Diocesan Youth Council! We are all so very proud of you!

Fr. Christian✙
