## CHURCH MUSINGS

by Lisa Hawkins

The other day, I read a story about a Chinese pastor whose church had been padlocked by Chinese Communist officials because of its refusal to align with the government's official churches. As the guards stood by, this pastor courageously marched up to the doors of his church, and with a tool used to break locks went on to do so in front of the Chinese officials. He knew that his duty was not to the Chinese officials but to God and if he lost his life in the process, so be it. He was one of the lucky ones. So far, he has managed to keep his head, but others have not been so fortunate. Our brothers and sisters in Christ in other countries are suffering for their devotion to Jesus Christ, losing their jobs, their homes, sometimes their families, and often times their lives. It's also becoming more common here in the U.S. for individuals to lose their jobs when they stand firm for their faith, refusing to compromise their beliefs, and in doing so lose their ability to support their families.

Saint Andrew's supports The Voice of the Martyrs (VOM), an organization that supports our Christian brothers and sisters who are being singled out for their faith. VOM provides medical care, financial assistance, and other forms of support to those who are being persecuted for the sake of Jesus Christ all over the world. Because we first have an obligation to provide help to other believers before we take care of other important social issues, Saint Andrew's faithfully and generously supports VOM in its mission to give hope and healing to the faithful who live in a battlefield, to those who have taken up the cry to say "I will follow even if it costs me everything, even if it costs me my family or my life."

It is still a privilege to live in a country like ours, and even though some of our religious rights are being trampled upon during these dark days, we still live with freedoms unheard of in many parts of the world. Please remember to pray for our brothers and sisters. For though they may look different and live far away, we all share the same Heavenly Father. When they suffer, we all suffer. If you go to <https://www.persecution.com>, you can find out more about this most worthy organization and other ways that you can serve.

Don't forget the **MARDI GRAS PARTY**, hosted by Saint Andrew's Men's Club next Saturday night, Mar 2, at 6:30 PM at the VFW at 347 South Center Street. This party

has long been a favorite fundraiser for the various outreach projects of the Men's Club. There will be delicious gumbo and authentic king cake, along with a DJ, dancing, and silent auction. Tickets are \$30 each and are available from the Men's Club. Nursery will be available 5-10 PM. You can go to the service and then to the party.

**LINDA MILLER** returns to Saint Andrew's on Saturday, Mar 23, from 9:00 AM to 4:00 PM to lead an **OSL Healing Conference** titled "Moving the Bigger Mountains." The conference will help you discover and remove barriers to receiving healing. The conference is free, but lunch is \$15. Sign up in the parish hall, and contact Jean Woods at [jean@jwplanning.com](mailto:jean@jwplanning.com) with any questions. Make checks payable to Saint Andrew's, with "OSL Conference" in the memo line. Nursery is available by sign-up.
