GENERAL ANNOUNCEMENTS

A BRIEF BIO OF FR. CHRISTIAN SENYONI: “I grew up in Rwanda (East Africa), but I was born in Congo (DRC), where my parents served as diplomats. My faith was formed and nurtured in the Roman Catholic Church. Our lives were forever dramatically changed with the horrible tragedy of the Rwandan Genocide of 1994. Four other siblings and I and our mother traveled through several countries seeking some kind of safety and lasting

stability. Every family lost relatives in the killings. It was hard to reconcile reality with the faith that had been nurtured in us. God brought us to safety numerous times. During this long refugee trek full of hardships, I discovered Evangelicalism, which emphasizes well one's personal relationship with God. It would be many years later that I would see why God let us pass through all those nations as refugees. It helped us understand Jesus's early life in exile. We saw the human condition at its worst. The trauma of it all took a toll on many individuals and families, mine included. In 2010, my youngest daughter was born in Wisconsin while I was still in seminary. God has been so faithful to us. My evangelical training was balanced with a Catholic tradition of sacramental life. This was God working to shape us. God continues to shape us. I became a priest in the Episcopal Church in 2013, and, looking back, I see God's hand—only the power of God could have orchestrated everything to get me where I am today. It took a lot of grace and forgiveness from God! It was a journey that one could not possibly forget, but most important to me was realizing that God is never far from us, even when our faith is at zero. God is LOVE! I look forward to meeting all of you."

COLLIERVILLE FOOD PANTRY: On Thursdays in August, Saint Andrew's volunteers take whatever items have been donated by the parish over to the Food Pantry and work there from 9–11 AM. If parishioners wish to donate items, mark them "For Food Pantry" and place them on the kitchen table. The pantry always needs canned meat items (including stews and soups), cereals, beans, tuna, peanut butter, jelly, bath tissue, travel soaps and shampoos, and brown paper grocery bags. Volunteers please sign up on the bulletin board in the parish hall.

OSL HEALING CONFERENCE RECORDINGS ARE AVAILABLE: The recordings of the OSL March Healing Conference, "Moving the Bigger Mountains," with Linda Miller, are now posted on the church Web site on the Order of St. Luke page and can be downloaded. If anyone needs the handouts used at the conference, you can contact Jean Woods (jean@jwplanning.com).

'STOP THE BLEED' TRAINING CLASS: STOP THE BLEED is a national campaign to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives. Joe Lee Rape (Saint Andrew's parishioner & vestry member, firefighter, paramedic) will teach the STOP THE BLEED course on Tuesday, Aug 13, 6–8 PM in the parish hall. This course is strongly recommended for our ushers and for those who took the Fire Dept. CPR course last summer, as well as anyone else who would like to take it. Please sign up on the parish hall bulletin board by Aug 4 so that Joe Lee can obtain the needed materials for everyone. This is an outstanding training opportunity.

ORDER OF ST. LUKE MINISTRY PRAYER TEAM: The Order of St. Luke provides a prayer team for ministry each Sunday after the 8:30 service. If you need prayer, meet them at the front of the sanctuary.
